EXP. No. 1

1. Installation of UiPath Studio Academic Alliance.
- Open the web which will sent to you and fill the form.
  - Then a mail come from Uipath will come which gives you a license key.
  - Then we come to uipath setup and click on custom option and configure it.
  - The software will begin to install and then a portal will come which shows connect to orchestration then we go on more options and we have to click on standalone options.
  - Then we have to enter the license key which we have received through the email and continue.
  - Now our Uipath Studio will completely download.

Step 1: ↓

Form filled

Step 2: ↓

Email received.

Hi

We're thrilled you want to explore Robotic Process Automation (RPA). We invite you to install the UiPath Academic Alliance Edition Studio 2021.10 by following the steps below.

**Step 1 - Important** - Follow the step-by-step instructions thoroughly: [UiPath Academic Alliance Edition Installation Guide](#)

**Step 2** Download the newest\* software version: UiPath Academic Alliance Studio 2021.10 (it includes StudioX and Development Robot)

\*should you need the older 20.10 version, please download it from [here](#)

**Step 3** Activate the product with your unique license code: 3854-9723-0938-1166

We look forward to continuing to support you in your RPA journey.
